

FP Diesel Alternators & Starters

- **100% NEW PART** – All new components, not remanufactured, for reliable performance you can count on
- **SUPERIOR SEAL** – Durable housing safeguards internal components, sealing out contaminants for reliable performance
- **HIGH-QUALITY COMPONENTS** – Premium solenoid and armature ensure durability and long-lasting performance while copper and nickel contacts deliver exceptional conductivity
- **DESIGN VALIDATED** – Rigorously tested for durability and performance that meets or exceeds OE standards
- **BUY WITH CONFIDENCE** – Comes with a three-year warranty
- **HANDLES THE HEAT** – High-temperature epoxy and grease deliver enhanced heat resistance
- **OE-STYLE REPLACEMENT** – Meets application requirements for fit, form and function

**ALTERNATORS**

Get reliable performance with this 100% new alternator from FP Diesel®. Designed for durability and efficiency, it delivers consistent power to keep your battery charged and electronic components operating at peak performance. Built to OE specifications for precise fit, form, and function, FP Diesel ensures easy installation and long-lasting dependability.

**STARTERS**

Ensure dependable engine performance with this 100% new starter from FP Diesel™. Designed for durability and efficiency, it delivers powerful cranking to get your vehicle up and running with confidence. Built to OE specifications for precise fit, form, and function, FP Diesel ensures easy installation and long-lasting dependability.

TOUGH PARTS FOR
A TOUGH WORLD.
